BEFORE YOU START

Hi, nice to meet you!

A few words about how I work – and what to expect.

Hi, I'm Dariusz – a photographer working across Malta and Gozo. I've worked for BMW and the KoKa Models agency, and I've photographed weddings, families and newborns, motorsport, interiors and events. What has all of that taught me? Technique is only half the job. The other half is **people who feel relaxed**.

So you won't hear “say cheese!” or “don't move” from me. We'll chat, joke around and sometimes get a little silly – and while that's happening, I'll catch what matters most: real emotions. You don't need to know how to pose. Honestly, that's my job, not yours.

In this price list you'll find the most popular sessions: what each one actually is, how it works, who it's for and what's included. If your idea doesn't fit any of the boxes – get in touch. The best sessions usually start with “I have this slightly unusual idea…”.

Included in every session

- ✓ a free consultation before the session
- ✓ help choosing the location, time and outfits
- ✓ travel anywhere in Malta
- ✓ hand editing of every selected photo
- ✓ private online gallery (online for 12 months)
- ✓ full-resolution files + web-ready versions

! **Pro tip.** *From June to September the midday sun is brutal. That's why I book outdoor sessions at sunrise or about two hours before sunset.*

How it works – step by step

1. **A quick chat**
   A short, free consultation – by phone or online. You tell me what you have in mind, I suggest how to make it happen.
2. **Planning**
   We pick the place and the time (ideally golden hour – in summer that means early morning or evening). You get a cheat sheet: what to wear, what to bring, what not to worry about.
3. **The session**
   Relaxed, fun, no pressure. I take care of the light and framing – you just be yourself.
4. **Choosing**
   Within a few days you get a preview gallery and pick your favourite shots.
5. **Delivery**
   I edit every chosen photo by hand. You get them in a private online gallery – ready to print and to share.

FAMILY & KIDS

Family & kids

Bumps, first days, first steps – time flies faster than you think.

You can't plan everything with little ones – and that's a good thing. I work at the kids' pace: with breaks for snacks, cuddles and changes of plan. Nobody rushes, and the best photos happen “in between” anyway.

Maternity session

A keepsake from the time that passes the fastest

from **€250**

A calm, warm session for the mum-to-be – solo, with your partner or with big brother or sister. We shoot outdoors – a quiet beach, the cliffs, a country lane – or at your home, in soft light. The best time is weeks 28–34: the bump looks beautiful and you still have energy for a walk. Book it together with a newborn session (“Bump & Baby”) and pay €550 for both instead of €600.

WHO IT'S FOR

- parents-to-be
- siblings waiting for the “new one”
- anyone who wants to remember this time

WHAT YOU GET

- ✓ min. 10 edited photos
- ✓ outfit tips
- ✓ online gallery

60–90 MIN · OUTDOORS OR AT YOUR HOME

! **Pro tip.** *A maternity session at weeks 28–34 is the sweet spot: the bump shows, and you still have energy for a walk.*

Newborn session

The tiniest fingers in the world

from **€350**

with maternity: €550

We do it at your home, lifestyle style: natural light, parents in the frame, lots of cuddles. I don't put babies into acrobatic poses – safety always comes first. The baby sets the pace, so allow up to 3 hours for feeding, changing and naps. Best within the first 2–3 weeks.

WHO IT'S FOR

- parents of a newborn
- siblings and grandparents
- a home where everything has just changed

WHAT YOU GET

- ✓ min. 15 edited photos
- ✓ family shots and details
- ✓ online gallery

UP TO 3 H · AT YOUR HOME

Family session

Photos that will be priceless in 20 years

from **€280**

We go for a walk together – Golden Bay, the Dingli Cliffs, the bastions of Valletta or a country lane in Gozo – or we stay home on the sofa. Instead of lining up, there's a race to the sea, tickles and piggyback rides. The kids play, you relax, and I catch the real moments. The dog is welcome too!

WHO IT'S FOR

- families with kids of any age
- grandparents with grandchildren
- families with a dog (or a cat, if it agrees)

WHAT YOU GET

- ✓ min. 15 edited photos
- ✓ group and candid shots
- ✓ online gallery

60 MIN · OUTDOORS OR AT HOME · UP TO 6 PEOPLE

! **Pro tip.** *Book your newborn session while you're still pregnant – with the date confirmed "by phone" after the birth.*

Kids session

Play instead of posing

from €230

A session for one child or siblings – from toddlers to teens. I don't ask them to smile, I give them missions: “show me how a frog jumps”, “first one to the tree wins”. That way the photos show your child's real character, not a forced grin.

WHO IT'S FOR

- kids aged 1–14
- siblings
- birthdays, first school days, an ordinary Tuesday

WHAT YOU GET

- ✓ min. 10 edited photos
- ✓ portraits and action shots
- ✓ online gallery

45–60 MIN · OUTDOORS OR AT HOME

Christening & Holy Communion

Coverage of a big day

from ~~€450~~

full coverage

I'm with you at the church and at the party – discreetly, with no flash during the ceremony. I capture the emotions, the guests, the details and the family photos. Confirmation too. Just want a short keepsake? Choose a Communion mini session: 30 minutes outdoors and min. 8 photos for €150.

WHO IT'S FOR

- families on a christening, Communion or Confirmation day
- mini session: Communion kids, any date

WHAT YOU GET

- ✓ coverage up to 3 h
- ✓ min. 60 edited photos
- ✓ family and group photos

UP TO 3 H · CHURCH + PARTY · THE PARISH SETS THE RULES IN CHURCH

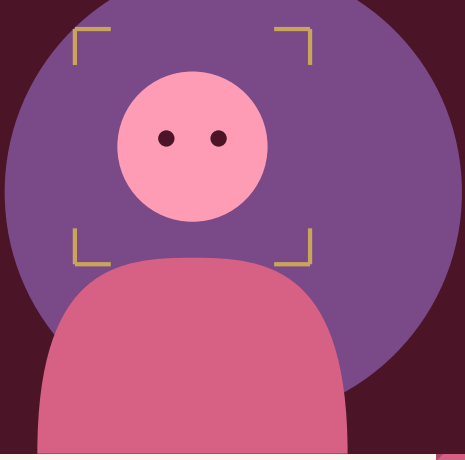

! **Pro tip.** *Kids look best in photos when they're rested and fed. We plan the session around their rhythm, not mine.*

02

PORTRAIT & PERSONAL BRAND

Portrait & brand

For you, for the two of you, and for your business.

Most people start with “I can't pose”. Perfect – I can direct. Every portrait session starts with a chat, and the photos happen along the way. That's how the real you shows up – not the passport-photo you.

Individual portrait

You – in your best light

from **€180**

A session just for you – because it's your birthday, because something important has changed, or simply because you don't have a single nice photo of yourself that you actually like. We talk, we walk, and I look for the light and angles where you look like you – just the well-rested version.

WHO IT'S FOR

- anyone who's “not photogenic” (that's a myth)
- a gift for yourself or someone close

WHAT YOU GET

- ✓ min. 8 edited photos
- ✓ 1–2 outfits
- ✓ online gallery

60 MIN · OUTDOORS, CITY OR STUDIO

! **Pro tip.** *Sleep well and drink plenty of water before a portrait session. Rested skin beats the best retouching.*

Business session

A photo that works for you

from **€120**

express headshot

An **express headshot** means 30 minutes and 2 polished portraits – for LinkedIn, your email signature or your website. A **personal brand session** (from €450) is 2 hours in two locations and min. 15 photos: portraits, you at work, details of your trade – content for your website and social media for months. Team headshots at your office too – from €60 per person (min. 5 people).

WHO IT'S FOR

- professionals, business owners, freelancers
- teams and companies – consistent photos of everyone

WHAT YOU GET

- ✓ licence for business use
- ✓ skin retouching included
- ✓ web-ready formats

FROM 30 MIN · OFFICE, CITY OR STUDIO

Women's portrait session

Feel beautiful – no pretending

from **€320**

The session after which many women say: "I didn't know I could look like this". Lots of talking, an unhurried pace, gentle posing guidance and beauty retouching that doesn't turn you into someone else. You can add hair and make-up by a trusted artist. Boudoir version – completely discreet.

WHO IT'S FOR

- women of every age and size
- a gift to yourself for a new chapter

WHAT YOU GET

- ✓ min. 10 photos with beauty retouch
- ✓ help with styling
- ✓ online gallery

90 MIN · STUDIO, INTERIOR OR OUTDOORS

! **Pro tip.** *For business photos, a plain blazer and calm colours always win over busy patterns.*

Couples & engagement

The two of you, before it gets official

from €250

A walk together, some laughs and plenty of closeness – Mdina's quiet streets at dusk or a beach at sunset work wonders. A great warm-up before the wedding: we get to know each other and you find out the camera doesn't bite. Couples who book their wedding with me pay €150 for this session.

WHO IT'S FOR

- engaged couples
- anniversaries
- people in love, no occasion needed

WHAT YOU GET

- ✓ min. 15 edited photos
- ✓ photos for your invitations
- ✓ online gallery

60–90 MIN · OUTDOORS OR CITY

Model portfolio

Your first step towards an agency

from €350

I've worked with the KoKa Models agency, so I know what agencies look for: natural "digitals" (simple photos without make-up) and a few strong portraits in different looks. You get both – without the over-the-top retouching that agencies reject straight away.

WHO IT'S FOR

- new models
- actors, dancers, influencers

WHAT YOU GET

- ✓ min. 10 edited photos
- ✓ 3 looks
- ✓ agency digitals for free

2 H · STUDIO AND OUTDOORS

! **Pro tip.** *Bring 2–3 outfits. Swapping a blazer for a jumper gives you a whole new set of photos in a few minutes.*

03

WEDDINGS

Weddings

One day you want to remember in every detail.

I photograph weddings documentary-style: no endless posing, just a careful eye on what really happens – dad's tears, the bridesmaid's laugh, grandpa first on the dance floor. Before the day we meet for coffee and plan the timeline.

Package	What's covered	Photos	Price
Ceremony	up to 3 h: ceremony, wishes, group photos	min. 100	**€950**
Half day	up to 7 h: from getting ready to the first dance	min. 250	**€1,800**
Full day	up to 12 h: from getting ready to the last dance	min. 400	**€2,700**
Couple shoot	separate day, approx. 2 h, Malta or Gozo	min. 30	**€400**

Included in every wedding package

- ✓ a pre-wedding meeting and timeline help
- ✓ a sneak peek – 20 photos within 7 days
- ✓ the full set edited within 8 weeks
- ✓ an online gallery to share with guests
- ✓ couple shoot with a wedding: €300
- ✓ extra hour of coverage: €150

To book: a contract and a €500 deposit. Saturdays from May to October go up to a year ahead.

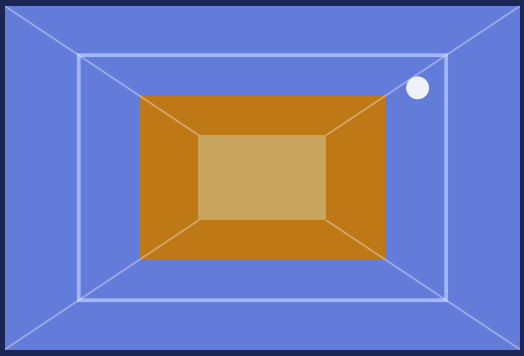

Pro tip. *The best Saturdays in the wedding season go up to a year ahead. Book early = peace of mind.*

EVENTS · INTERIORS · CARS

For business

Photos that sell, attract and build your brand.

Companies get a VAT invoice, and every business session includes a licence to use the photos in your marketing: on your website, on social media and in print. I fit in with your calendar – evenings and weekends included.

Events & conferences

Coverage people actually want to share

from **€130**

per hour, min. 2 h

Conferences, galas, company parties, launches. I work discreetly and capture the speakers, the networking and the guests' emotions – so the coverage is something you use, not just something you have. Half day (4 h) €480, full day (8 h) €900. The first 10 photos for social media can be ready the same day.

WHO IT'S FOR

- companies, event agencies, organisers
- galas, conferences, team events

WHAT YOU GET

- ✓ min. 25 photos per hour
- ✓ selection and editing within 3 days
- ✓ business licence

MALTA & GOZO · VAT INVOICE

Pro tip. *Before the event, send me the agenda and a list of people who must be in the photos. Nothing important gets missed.*

Interiors & real estate

A home that sells (or rents) itself

from €220

1–2 bedroom apartment

Photos for short-let listings, sales or an architect's portfolio. Straight verticals, bright and natural colours, windows that show the view – the sea, if you're lucky – instead of a white blob. I'll also tell you what to put away before the shoot. Larger apartments and houses from €320; villas, farmhouses, hotels and restaurants quoted individually.

WHO IT'S FOR

- short-let and Airbnb hosts
- estate agents
- architects and interior designers

WHAT YOU GET

- ✓ min. 15 edited photos
- ✓ versions for listing portals
- ✓ delivery within 5 working days

APPROX. 2 H ON SITE · TRIPOD AND NATURAL LIGHT

Cars & motorsport

Cars are my old love

from €400

car photo shoot

I've worked for BMW, so I know how to show the body lines and the details buyers ask about. A car shoot is 2 hours at a location chosen to suit the car and min. 15 photos – for a sale, a dealership or just for you. Rolling shots (from a second car) +€200. A day at the track, a hillclimb or a car show – from €600.

WHO IT'S FOR

- dealerships
- clubs, teams, event organisers
- enthusiasts who love their car

WHAT YOU GET

- ✓ min. 15 edited photos
- ✓ details and full-car shots
- ✓ business licence (for companies)

2 H · LOCATION CHOSEN FOR THE CAR

Pro tip. *Before an interior shoot, clear the counters of small, colourful things. Fewer objects = more space.*

Mini sessions

Short, affordable and full of atmosphere.

Seasonal mini sessions

Spring fields, golden evenings, festive lights

€120

A few times a year I pick one beautiful spot and one day, then run short sessions back to back: in spring among the yellow wildflower fields, in autumn in the golden evening light, and before Christmas in a festive setting. 30 minutes is enough for a photo for your wall or your Christmas card. Dates are announced on sochapix.pl – they go fast.

WHO IT'S FOR

- families, couples, kids
- anyone who wants to try a session on a small budget

WHAT YOU GET

- ✓ min. 5 edited photos
- ✓ ready-made set
- ✓ online gallery

Questions I hear most often

? I can't pose. Is that a problem?

Not at all. Almost everyone says that at the start of a session. I guide you step by step, and the best photos happen between the “poses” anyway, when you forget about the camera.

! **Pro tip.** *Photos on a phone rarely get looked at. Printed ones hang on the wall for years – think about a photo book or prints.*

When will I get my photos?

Sessions – within 14 days of choosing your shots. Weddings – a sneak peek within 7 days, the full set within 8 weeks. Events – within 3 working days. In a hurry? There's express delivery.

Do you give all the photos and the RAW files?

I deliver finished photos – because editing is part of the photo. I don't hand over RAW files. If you'd like more shots, you can add the full gallery or individual photos.

What if the weather is bad?

Rain or strong wind (it happens on the coast) – we reschedule an outdoor session at no cost. Child unwell? We reschedule too – health matters more than the calendar.

How do I book a date?

Tell me which session you're planning and which dates suit you. A 30% deposit secures the date (€500 for weddings), and you pay the rest after the session, before delivery. Changing the date up to 48 h before – free of charge.

Will you post my photos online?

Only with your clear consent. I'm especially careful with photos of children – by default they stay just for you.

What should I wear?

You'll get a cheat sheet before the session. In short: clothes you feel good in – plain, in 2–3 colours that go together, no big logos or slogans. Comfort shows in photos.

Pro tip. *An overcast day isn't a disaster – clouds work like a giant diffuser and give beautiful, soft light.*

Book your date

Tell me which session you're planning
and which dates suit you. I'll get back to you within
24 hours – with an answer, ideas and a good mood.
